## **Some questions to think about: Who? What? When? Where? Why?**

### **Who?**

Who are you?

Who are your customers?

Do you have memberships, licenses or accreditation?

### **What?**

What is your business? Products? Services? History?

What is your background and training?

What is your mandate, mission or philosophy?

### **When?**

**What is today's date!**

When did you start your business?

When are you open for business?

### **Where?**

Where is your business?

Where does your business service?

**Do you have a tagline?**

**Do you have a testimonial you'd like to have included?**

**Do you have a website? What is the url (eg: [www.mysite.com](http://www.mysite.com))**

Is there anything interesting or unusual about yourself, your business, your background, your expertise that you'd like to share?

**Don't forget to note today's date!**
